

# Understanding Your Treatment Plan - Generic Plan

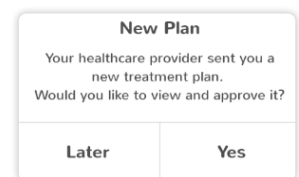

Your healthcare provider may share with you personal messages which you can view directly in your Diary app in the 'Inbox' section.

1

When your healthcare provider sends you a new message, a **New Message** alert will be displayed in your Diary app, at your next login.

Tap **Yes** to review the message now or tap **Later** to review it at another time.

You can view the message, by tapping on the inbox icon  at the bottom of the screen

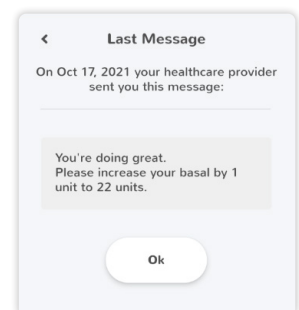

2

To review the message you will be directed to the **Inbox**

Here you can see the date the healthcare provider sent you the message and the contents of the message.

Tap **Ok** to accept it.

3

To view the list of previous messages from your healthcare provider, tap the inbox icon
